Station 1 Histoire de la recherche				
	 <p>The illustration consists of a hand-drawn architectural plan on the left, showing a complex arrangement of stone walls and foundations. The plan is labeled 'Plan Schnitt II' and 'ca. 1:25'. To the right of the plan are two black and white photographs showing the actual stone foundations in the ground, one from a slightly different angle than the other.</p>	<p>Plan Schnitt II Fouilles Bandi</p>	<p>@Bernisch Historisches Museum</p>

	 <p>A black and white photograph showing a clearing in a forest. In the center, there are several large, rectangular stone foundations, likely the remains of a building. The ground is covered with fallen leaves and branches, and trees are visible in the background.</p>	<p>Edouard von Rodt publication sur les châteaux bernois, architecte et directeur de l'ancien musée historique de Berne à la fin du 19^e siècle). 	 <p>The illustration displays several archaeological artifacts. At the top is a small, irregular fragment of metal. Below it is a long, rusted blade. Further down are four small objects: a ring, a circular object, a bell-shaped object, and a square metal piece with a ring. At the bottom are seven arrowheads of various shapes and sizes. Scale bars are provided for the small objects and the arrowheads.</p> <p>ADB SAB FZ L 15490 FP 135.011.1979.01</p>
